Objective

Web Developer looking to work for a company that makes innovative steps towards a better future, where I can apply my dynamic programming and communication skills to help the local and global community succeed and grow alongside the company.

Education

Westminster College: Majoring in Physics, minor in Computer Science, anticipated Grad: **Fall 2022**, 3.7 GPA

Saint Anthony High School: 4 year college preparatory education, Grad: **June 2018**, 3.95 GPA

Experience

Junior Web Developer (intern) at 530medialab (**May 2018 - August 2018**)

- Advanced knowledge of and experience with JavaScript, Java, Python, HTML, CSS, C++, and PHP
- Worked alongside senior developers, marketing teams, and project managers to create and maintain websites and web apps.
- Communicated with clients and relayed their needs to the marketing teams as well as the other developers and project managers.

Freelance Web Developer (**August 2018 - Present**)

- Head to www.jakewagoner.us to view my website, created from scratch by me.

Floor Salesperson at Big 5 Sporting Goods (**September 2018 - February 2018**)

- Working as a sales representative to assist customers with questions and to complete projects given by management.

Customer Service Representative at Pizza Hut (**August 2017 - August 2018**)

- Worked register, answered phones, took orders, and completed routine chores

Leadership and Co-curriculars

- Varsity and Club soccer captain (8 year captain) & current Westminster College Club Soccer player
- Student President (Freshman and Sophomore year high school)

Awards

- Presidential Scholar at Westminster College (**2018 - Present**)
- California Presidential Scholarship recipient (**2014 - 2018**)
